NOW AVAILABLE Telemedicine

24/7 access to a healthcare provider

With Telemedicine, you can talk to a healthcare provider by phone or video 24/7 for common conditions like the flu, allergies, coughs, sinus infections, sore throats, stomachaches and more.

A convenient and quality option to feel better, faster

- ✓ Talk to a healthcare provider 24/7 from the comfort of home
- ✓ Get help for non-urgent needs like cold & flu, bronchitis, rashes and more
- ✓ Be confident in your care—all Teladoc Health healthcare providers are Canadian board-certified

Feel better with Teladoc Health

Meet with a
healthcare provider
by phone or video

A prescription, if
needed, can be sent
to a pharmacy of
your choice
